Europcar Mobility Group is a major player in mobility markets and listed on Euronext Paris. Europcar Mobility Group's purpose is to offer attractive alternatives to vehicle ownership, in a responsible and sustainable manner. With this in mind, the Group offers a wide range of car and van rental services – be it for a few hours, a few days, a week, a month or more – with a fleet that is already "CO2 light" and equipped with the latest engines, and which will be increasingly "green" in the years to come (more than 1/3 electric and hybrid vehicles by 2023).
