

Update on Europcar Mobility Group's cash preservation plan, announced on March 23rd

As part of the cash preservation plan announced on March 23rd and updated on April 15th 2020, with first the finalization of lines of financing 70% guaranteed by the Spanish State for an amount of €36 million, the group announces the finalization of the second tranche of this Spanish State guaranteed program, with new 3-year maturity lines for a global amount of €31.25 million for its two operating subsidiaries in Spain - under the Europcar and Goldcar banners – which consolidate the Group's liquidity to enable it to meet its vehicle financing needs and its corporate needs related to the impacts of the COVID-19 pandemic.

The Group is continuing its negotiation, within the framework of the processes supervised by the Ministry of the Economy and Finance, with some of its lending banks to obtain additional financing guaranteed by the French State via the BPI. The Group is also continuing its efforts through its foreign subsidiaries in countries where similar support measures have been deployed. The outcome of these initiatives will be communicated in due course.

Q1 results will be communicated on the 5th May after the closing of the stock exchange.
